PRESIDENT'S NOTE:

"Thank you to our hard working club members!! We put together a great shoot day for a lot of fellow archers out there. It was a successful day and we had enough money come in to keep the club running strong. I hope you are able to make it to the July potluck to enjoy the range without the element of work attached."

Matt Quentmeyer

California Deer Hunting Seasons Starting:===August B, C, D & X zones archery deer and bear season opens. (Check dates for your hunting zone, as many open on different dates.) Desire to wish every member a wonderful safe & successful hunting season. Remember to pick a spot and aim carefully, prior to touching the trigger or relaxing your string fingers. Many times in excitement of moment, shots are taken to fast, slow down and let our brain engage. (Maybe your Editor is only person who has that problem, but I doubt it.) Shooting is habit, successful hunting requires mental activity.

Am sure as usual, August and September will be hunting months, thus most likely we won't see most members until our October CMA meeting in Oroville, on first Tuesday 10/4/16 7PM. Newsletter will arrive prior to meeting date. Remember Newsletter Editor desires Stories, Photos and Tall Tales.

Your Pre-Registration, helps Clubs and generally saves you time and money.

Donnovan was able to get a picture of Jheri and Vehnna's concession stand all decorated this year. They brought their own medals for the kids and really went the extra mile to make it a fun stand for the kids. Matt.

Also as members working your first open tournament. I your editor and am sure all members also send a Thank You, Jheri & Vehnna.

Am sure that all your officers, and working members through out the years work days, (desire to also send THANK YOU'S, too each and every member & the many family volunteers we had the entire Tournament Weekend) for all the help which made for another great CMA Fathers Day Invitational Tournament.

Per what I read on Score Board, believe 282 shooters attended this year. One last note, Prayers to Janelle & Matt for healing and recovery of Janelle's back pains.
